**Author & Founder of Mahboba's Promise**

As a school girl, Mahboba's life changed forever when the Russians invaded. In 1984 she was forced to flee Kabul after leading a student demonstration and she walked for ten days over the Kyber Pass to escape the threat of imprisonment. Mahboba lived for two years in a Pakistan refugee camp. Despite personal hardship, Mahboba began to successfully raise money and awareness among the Australian community for the plight of widows and orphans in Afghanistan.
