

**OWNER'S APPLICATION FOR
 PLUMBING AND DRAINAGE CONNECTION INSPECTIONS**

PLEASE NOTE: This application together with the appropriate fee must be completed five days before any inspection can be made. Where a development application is required, this fee should be paid upon lodgement of such application. It is the responsibility of the applicant/owner when making application for a service to ensure that it is required and that the fees have not already been paid.

Privacy and Personal Information Protection Act: Personal information provided to Council is subject to this Act (PPIP Act 1998). Such personal information will be used for Council's reporting, business needs and related procedures.

Owner's request: I being the owner of the undermentioned property hereby apply for permission to provide proper drains and sanitary fittings on such property and for connection of same to Council's sewer according to the provisions of the Local Government Act and Ordinances and Codes of Practice and the requirements of Council and enclose the appropriate fee (see below).
