

Jean Genies

A Gosford City Library initiative

Jean Genies provides:

an opportunity for public libraries in NSW to engage their youth in a fun, spontaneous program. Drawing inspiration from the *Sisterhood of the Traveling Pants* series by Ann Brashares this program has six pairs of jeans travelling between 23 rural metropolitan and regional public libraries. Participating libraries will be decorating the jeans and hosting programs or displays based around the theme before sending the jeans on to the next library.

Libraries have developed an exciting range of related activities to tie in with the jeans visit, for example craft workshops, film nights, and outreach events. Libraries have been encouraged to take photos of the jeans in iconic locations, inviting local school or youth groups to be creative and artistic in the library and reaching into community.

Photos and information will be available on this years wiki:
